## Kwik-Fill Sandbag Filler User Instructions

If you have ever struggled to fill a sandbag for use as a shooting rest at the range, you know just how good of an idea this is.

### 1.0 GENERAL INFORMATION

Durable, compact funnel with a special long trop tube. Easily fits into a range bag

### 2.0 SAFETY INFORMATION

Always wear safety glasses.

### 3.0 HELPFUL HINT

To fill your sandbags even more quickly, add about 1 teaspoon of talcum powder to every 2 cups of silica sand. The sand will flow much more freely without clogging the filler.

### 4.0 ORDERING INFORMATION

We recommend ordering from a dealer or distributor. Their experience and knowledge will help you select the best products that meet your specific requirements. In addition, they usually offer the best prices and convenient delivery options.

To find a Reseller, go to [forsterproducts.com](http://forsterproducts.com) and click **Distributors**. If your distributor cannot supply you, or if you need parts, please contact Forster Products directly by email, phone, or fax.

## WARRANTY

All Forster Products are warranted against defects in materials and workmanship for the life of the product. Parts which, by nature of their function, are subject to normal wear (such as springs, pins, etc.) and parts which have been altered, abused or neglected, are excluded from the warranty. If the product is deemed defective by workmanship or materials, it will be repaired, reconditioned or replaced (at Forster's option). This warranty supersedes all other warranties for Forster Products whether written or oral.
